Undergraduate and Post Graduate Students and faculty members attended the talk.

**Dr. Prashant Ratnaparkhi**, HoD welcomed all for the talk and handed over the floor to Dr Binoj C Kutty to conduct the proceedings . Dr. Binoj welcomed the Principal, Dr Rajendra Shinde, Dr B. N. Pandey, Dr. J. P. Agarwal to the dais. The Principal commented on the importance of such interaction and exposure of students to concepts beyond the syllabus. He thanked Dr Pandey for allowing St. Xavier's College to host the talk. This followed by a brief about SRR and its activities. He introduced the speaker Dr J P Agrawal and welcomed him for the talk. Dr. Pandey presented a memento to Dr J P Agarwal.

During his talk, Dr. Agarwal presented a very lucid explanation about the history of use of radiation as a therapeutic tool against cancer. He highlighted the various innovations that took place over the past few decades which contributed to the improvement of radiotherapy. Ms. Avani, a PG student from the Department of Life Science and Biochemistry of St. Xavier's College offered the vote of thanks. The talk was well received by the participants which included faculty members and students from St. Xavier's College and Jai Hind College, Mumbai.
