

ICRR-HHE 2026

Major Topics

- Low and high LET Radiation Action Mechanism
- Heavy Ion Radiobiology
- DNA Damage Response & Repair
- Radiation Biodosimetry and Biomarkers
- Non-Targeted Radiation Effects
- Radiological Imaging and Nuclear Medicine
- Tumor Hypoxia and Radioresistance
- Heavy Ion Radiotherapy and Alpha Therapy
- Boron Neutron Capture Therapy
- Nanotechnology in Cancer Radiotherapy
- Radiomodifiers and Immune system
- Space radiobiology and Human Health
- Bio-Actinide Research and Decorporation Therapy
- Radiation Biology for New Power Reactors
- AI in Radiation Oncology and Radioprotection
- Radiation Effects on Microorganisms and Plants
- Radiation Technology for Environmental Protection
- Radiation Physics and Chemistry

Conference abstracts will be published in the official journal of the Society for Radiation Research-India

Journal of Radiation and Cancer Research (ISSN: 0973-0168)

International Conference of Radiation Research & 5th Biennial Meeting of Society for Radiation Research Oct. 30 - Nov. 01, 2026, Inter-University Accelerator Centre, New Delhi, India

ICRR-HHE 2016 : BARC, Mumbai
ICRR-HHE 2018 : HCU, Hyderabad
5th ACRR 2022 : BARC, Mumbai
ICRR-HHE 2024 : AIIMS, Patna
ICRR-HHE 2026 : IUAC, New Delhi

Scientific Sessions

- SRR AR Gopal Ayengar Oration Lecture
- SRR Dr B. B. Singh Memorial Lecture
- Plenary Lectures
- Special Lectures
- Invited Lecture
- Oral Presentations
- Poster Presentations
- Thematic Panel Discussion

Important deadlines

Abstract Submission/Registration starts : June 01, 2026
Abstract Submission closes : Aug. 05, 2026
Intimation of Abstract Acceptance : Aug. 20, 2026
Registration closes : Aug. 31, 2026

SRR Awards

SRR Young Scientist Awards (SYSA)
SRR Best Thesis Award
SRR Student Travel Awards (SSTA)
SRR Best Oral Presentation Awards
SRR Best Poster Presentation Awards

Organized by

अंतर विश्वविद्यालय त्वरक केंद्र
Inter-University Accelerator Centre - (IUAC) New Delhi

Society for Radiation Research,
India (SRR-India)
